ABOUT ME

Full Stack Software Engineer passionate about building scalable web applications with modern technologies.

EXPERIENCE

09/2023 – 11/2025

Telenity

R&D, Senior Software Engineer

Contributed to research & development on key projects including Low Code Platform, MFA Authentication Server, Access Control System.

07/2023 – 09/2023

Telenity

PAAS Development Team, Senior Engineer

HTML5, CSS, JavaScript, ReactJS and NodeJS to implement internal and external tools to ease integrations and tests.

09/2022 – 07/2023

Telenity

Deployment & Validation Engineer

E2E tests, Integration tests, Test Automation and RPA (with Robot Framework), HTML5, CSS, JavaScript, ReactJS and NodeJS to implement internal and external tools to ease integrations and tests. (e.g. Telecom operator simulator that provides SMS interfaces, Charging Interfaces, Frontend libraries to ease integrations (self hosted .min.js files))

04/2021 – 09/2022

Telenity

Integration Engineer

B2B integrations, Python for automating tasks, SQL for performance improvements and generate reports, HTML5, CSS, JavaScript and Python to implement internal tools.

07/2020 – 08/2020

Netaş

Software Developer (Internship)

Addition of new capabilities for an internal tool that real-time tracking of a file on a remote server. This tool is a Java-Swing UI project.

SKILLS

Frontend Technologies	HTML5, CSS, JavaScript, ReactJS, NextJS, GSAP, Socket.IO, NPM
Backend Technologies	Java, Spring, Spring Boot, Maven, JavaScript (NodeJS), ExpressJS, Socket.IO, NPM
Databases & ORMs & ODMs	SQL, MySQL, Hibernate, Sequelize, MongoDB, Java MongoDB Driver, Mongoose, Redis
Message Brokers	Apache Kafka, RabbitMQ, IBM MQ, Active MQ

Operating Systems	Linux, CentOS, Rocky
Web Servers	NGINX, Apache Httpd Server
Containerization Tools	Docker, Docker Compose
Testing & Automation Tools	JUnit, Jest, Robot Framework, Postman, Insomnia
Version Control Systems	Git, GitHub, Bitbucket
Cloud Platforms	Amazon AWS
Others	Jira, Confluence

EDUCATION

2016 - 2021

Bahçeşehir University

Computer Engineering

Bachelor of Engineering (B.Eng.)

2011 - 2015

Maltepe Fen Lisesi

High School
