PROFILE

A Computer Science student at Bilkent University with a solid foundation in programming, algorithms, and software development. Passionate about learning cyber security.

EDUCATION

Bilkent University | Ankara, Turkey | Bachelor of Science in Computer Science

September 2023 – January 2028 (Expected)

GPA: 3.52/4.00 (High Honour Standing)

Relevant Coursework:

Completed: Algorithms and Programming I & II, Data Structures (Fundamental Structures of CS I & II), Computer Organization, Digital Design, Probability and Statistics for Engineers, Linear Algebra and Differential Equations

Spring 2026: Database Systems, Operating System, Automata Theory and Formal Language, Mathematical and Computational Foundations of Artificial Intelligence

High School: Ranked 110th in YKS (Turkish National University Entrance Exam) in 3 million candidates

PROJECTS

Study Time Tracker Application – "No Limit" (Out of School Project)

Technologies: Java, Swing, MySQL, JDBC, Git

- Designed and developed a desktop application to track and analyze study sessions with an intuitive graphical user interface
- Designed and integrated MySQL database backend using JDBC
- Applied object-oriented design principles including inheritance hierarchies
- Utilized Git for version control to manage code changes and maintain project history

TECHNICAL SKILLS

- **Programming Languages:** Java, Python, C++, SQL/MySQL
- **Cybersecurity:** Web Security, Penetration Testing Tools
- **Languages:** Turkish (Native), English (B2 - Upper Intermediate), Spanish (A1 - Beginner)

INTERESTS & ACTIVITIES

- **Chess** – Competitive tournament player with awards from local competitions (First place in Özdilek AVM tournament in 2018)
- **Table Tennis** – Active recreational player with focus on competitive sports and fitness
