## PROFILE

I am a Computer Engineering student with a double major in Management Information Systems and a GPA of 3.30. I am highly interested in Artificial Intelligence and continuously improve myself through projects and online courses. I have experience in AI-based projects and software internships, and I am currently an Erasmus exchange student at AGH University of Science and Technology. I am motivated to work on innovative and analytical problems.

## SKILLS

- Time Management
- Teamwork
- Analytical Thinking
- SQL, Git
- C, Python, Java
- Machine Learning, Deep learning
- PyTorch, TensorFlow
- OpenCV, NumPy, Pandas

## LANGUAGES

- English
- German

## COMPUTER ENGINEERING STUDENT

## EDUCATION

Nevşehir Hacı Bektaş Veli University —  
Computer Engineering

2023 – 2027

Istanbul University — Management  
Information Systems (Second Major)

2024 – 2028

Osmangazi Science High School

2018 – 2022

## CERTIFICATES

- Python Programming - Udemy
- C Programming - BTK Academy
- Java Programming - BTK Academy
- Entrepreneurship Training - KOSGEB
- English Language Course - Akin Language School
- C# Learning - Udemy
- Machine Learning and Artificial Intelligence with Python - Udemy
- HTML Training - Enes Bayram

## PROJECTS

- Image Processing with Artificial Intelligence
- Intelligent Chatbot Development
- Anomaly Detection System for Cybersecurity
- Application Interface Development with C#
- Student Automation System with Java
- Calculator Development with Python
- Note Taking Application with Python
- Website Development and Design
- Image Processing and Object Tracking with AI
- Deep Learning Model Training for Image Processing
- Optimization Project Development
- ABB RobotStudio – Robot Programming & Simulation
- Statgraphics – Statistical Data Analysis
