

OKAN AYDINHAN

COMPUTER ENGINEERING STUDENT

Bursa, Türkiye | +90 534 666 9650 | okanaydinhhan981@gmail.com | <https://github.com/OkanAydinhhan> | www.linkedin.com/in/okan-aydinhhan-a4a2922b0

PROFILE

Computer Engineering student with a strong interest in backend development. Experienced in developing desktop applications using C# and SQL and web applications with PHP and MySQL. Currently improving skills in ASP.NET Core and backend technologies. Motivated to gain real-world software development experience through an internship.

SKILLS

Programming Languages: C#, Java, PHP, JavaScript, SQL, C

Backend Development: ASP.NET Core Web API (basic)

Database: MSSQL, MySQL

Web Technologies: HTML, CSS, Bootstrap

Software Fundamentals: Object-Oriented Programming (OOP), Problem Solving, Data Structures

PROJECTS

Web Programming Project: Developed and deployed using PHP, HTML, CSS, JavaScript, and MySQL.

Windows Forms Projects: Developed desktop applications using C# and SQL.

C Programming Project - Low-Level Systems Development: Developed a project using C language, focusing on pointer arithmetic, memory management, and struct-based data modeling.

EXPERIENCE

Denizli Büyükşehir Belediyesi - IT Department Intern

Denizli, Türkiye | 2026 July - 2026 August (Currently ongoing)

- Developed a corporate budget management application utilizing C#, ASP.NET Core, and SQL Server to streamline financial tracking.
- Applied Object-Oriented Programming (OOP) principles such as encapsulation, inheritance, and polymorphism in real-world environments.
- Implemented SOLID principles to improve code maintainability, scalability, and readability.
- Designed and managed databases including table design, relationships, and query optimization for the budget application.
- Gained hands-on experience and supported basic system administration and networking infrastructure, including switch configuration and maintenance.

Bursa Technical University - Personnel Department

Bursa, Türkiye | 2025 October - Present

Türkiye İş Kurumu Youth Program Participant

- Assisted in administrative tasks within the Personnel Department.
- Supported document organization and office operations.
- Collaborated with staff members to complete daily tasks.

EDUCATION

Bursa Technical University

September 2023 - July 2027

Computer Engineering | GPA: 3.03 / 4.00

LANGUAGES

Turkish: Native | **English:** Intermediate
